# Water Supply (Water Fittings) Regulations 1999

## Notification under Regulation 5

### Please confirm the reason for notification:

1. The erection of a building or other structure, not being a pond or swimming pool.
2. The extension or alteration of a water system on any non household premises.
3. A material change of use of any premises.
4. The installation of: -
  - a. A bath having capacity, as measured to the centre line of overflow, of more than 230 litres;
  - b. A bidet with an ascending spray or flexible hose;
  - c. A single shower unit (which may consist of one or more shower heads within a single unit), not being a drench shower installed for reasons of safety or health, connected directly or indirectly to a supply pipe which is of a type specified by the regulator;
  - d. A pump or booster drawing more than 12 litres per minute, connected directly or indirectly to a supply pipe;
  - e. A unit which incorporates reverse osmosis;
  - f. A water treatment unit which produces a waste water discharge or which requires the use of water for regeneration or cleaning;
  - g. A reduced pressure zone valve assembly or other mechanical device for protection against a fluid which is in fluid category 4 or 5;
  - h. A garden watering system unless designed to be operated by hand; or
  - i. Any water system laid outside a building and either less than 750mm or more than 1350mm below ground level.
5. The construction of a pond or swimming pool with a capacity greater than 10,000 litres which is designed to be replenished by automatic means and is to be filled with water supplied by a water undertaker

### Regulations 6 – Contractors’ Certificate

(1) Where a water fitting is installed, altered, connected or disconnected by an approved contractor, the contractor shall upon completion of the work furnish a signed certificate stating whether the water fitting complies with the requirements of these Regulations to the person who commissioned the work.

**If an approved contractor/installer will be undertaking the works (this information can be found at [www.watersafe.org.uk](http://www.watersafe.org.uk)) please circle which scheme the contractor/installer subscribes to, and complete their membership number (note both below fields **MUST** be completed):**

**Scheme:** APLUS    APHE    CIPHE    TAPS    SNIPEF    WIAPS    WATERMARK

**Scheme Membership No:** \_\_\_\_\_
