Performance Review Process

11. Your performance as a Non-executive director and that of the board as a whole, will be subject to evaluation on an annual basis. If, in the interim, there are any matters which cause you concern in respect of your performance in this role you should discuss them with the Chair as soon as appropriate.

Governance and Conflicts of Interest

14. It is accepted and acknowledged that you have business interests other than those of the Company and have declared, where necessary, any conflicts that are apparent at present. In the event that you become aware of any potential conflicts of interest, these should be disclosed to the Chair and the Company Secretary as soon as they become apparent.
15. The Company is regulated by Ofwat and must conduct its affairs in accordance with the terms of its Instrument of Appointment (or Licence). The Licence provides that: "The Appointee [i.e. the Company] must, at all times, conduct the Appointed Business as if it were substantially the

Appointee's sole business and a public limited company separate from any other business carried out by the Appointee".

16. In addition, under the terms of its Licence the Company must meet the objectives contained within Ofwat's board leadership, transparency and governance principles ("BLTG Principles"). The Company has devised its own governance code (which is published on the Company's website), which incorporates Ofwat's 2019 BLTG Principles and supporting provisions along with most of the provisions contained with the 2020 Corporate Governance Code. You must also notify the Chair and the Company Secretary should circumstances arise which may affect this determination in any way.

Confidential Information
